## Message from the Desk of the Dean

Dr Sushilkumar Jha  
Dean  
Government Medical College,  
Bhavnagar

Dear Students and Parents,

On behalf of Government Medical College, Bhavnagar I Welcome all fresher students to this institute committed for high standard, academic excellence and all round growth of all students. I take this opportunity to congratulate all the students and their parents for achieving their academic goal and wish you all a very bright future and all-round success.

For many of you, it might be the first time that you are leaving your home where you are fully supported and taken care by your caring and loving parents, but at the same time you should be happy that you have an opportunity to lead and shape independent life of your own. You have opportunity to prove that even without day to day parental guidance you still can lead a disciplined life, you can use your time in best possible way, you can keep your surrounding clean, you can stay away from bad habit and many more things.

Yours is a First batch after revision of MBBS curriculum by erstwhile MCI (Medical Council of India) and now NMC (National Medical Commission- Undergraduate medical Education Board) & First batch to have CBME 2024 Regulation in place. The major changes in new Competency based Curriculum include listing of learning objectives for each and every topic in the syllabus with vertical and horizontal integration of all subjects under different phases of study. It also includes dedicated time slots for foundation course, Self Directed Learning (SDL), Early Clinical Exposure(ECE), Sports activity, Small Group Discussion(SGD), AETCOM module ( Attitude, ETHics and COMMunication) and dedicated time for Electives & Family Adoption Program. You are required not only to learn certain basic skills but also required to demonstrate performance of this skill either on mannequin or patient, either under observation or independently, depending on the kind of skill. Students are also required to maintain and submit logbook for each and every subject duly signed by Head of the department as an eligibility to appear for next university exam .I wish while staying here for next five years you focus on your overall development with keen interest in learning soft skills.

This institute expects exemplary behavior from you. I assure you, this institute and all our faculties are committed to facilitate your targets of achieving academic and professional goals and your overall development.

At the end, I warn all the students to stay away from all kinds of antisocial behavior, be it ragging,

be it gender harassment, be it substance abuse, damaging institute property, be it violating rules of institute, because we have zero tolerance policy for this type of behavior or activity.

Many of you might be worried about the news of retrofitting of college and hospital building, in this regards we would like to inform you that government of Gujarat has sanctioned expenses towards prefabricated structure as a temporary alternative to this building. Further we have already proposed new college building and new hospital building in this year budget. We are happy to inform you that our two hostels will start soon and tender for third hostel is in process by PIU

With best wishes,

Dr. Sushilkumar Jha  
Dean  
Government Medical College  
Bhavnagar

## **About Bhavnagar**

Bhavnagar city was established by Late His Highness Maharaja Saheb Shri Bhavsinghji Gohil. It is also known as “Cultural city” of Saurashtra. It is famous because of Palitana Tirth, Khodiyar mandir and world's largest ship breaking yard, Alang. Bhavnagar is also famous for varieties of „Ganthiya“ You would be happy to learn that Maharaja Krishnakumarsinhji was first to handover the whole state to then deputy prime minister and great freedom fighter Sardar Vallabhbai Patel for formation of United India.

## **About College**

The Government Medical College, Bhavnagar was established on 29th April, 1995. Initially the college started with 50 admission per year, which has gradually increased to 100, then 150 and from year 2019 we will have 200 admission per year.

Our college started PG courses in year 2002 with permission of MCI in 6 subject with total of 12 seats per year and now we have PG courses in all 20 subjects with total of 120 postgraduate seats (117 Degree and 3 Diploma). Of 117 degree seats, 82 seats are recognized by MCI and rest are permitted and will be applied for recognition in due course

Sir Takhtsinhji Hospital, (Also known as Sir T Hospital by local people) Bhavnagar is the teaching hospital affiliated to Government Medical College, Bhavnagar, It is a very old hospital catering not only to Bhavnagar district but nearby 3 district since 1933. Its campus is located just 500 meter away from Medical college campus. Institute also has in its possession two big piece of land (one at Nari area of Bhavnagar and other at Ruvapari area of Bhavnagar) which will be utilized for future developments

With affiliation of Sir T Hospital with Government Medical College Bhavnagar, now it is being expanded to 1030 teaching bed hospital with daily average OPD of more than 1800 per day. It also caters to large colony of residents working in Asia’s largest ship breaking yard of Alang.

The Doctors and paramedics of this institute has served the people of this area in many natural calamities like earthquake, flood and many epidemics. Bhavnagar was till now a remote area serving the remotest areas of the state, now with fast track development process in the state, it is being connected to Bharuch (Dahej), Surat (Hajira) , Mumbai and Kandla through Ro-Ro & Ro-Pax ferry service. The planned city, Dholera SIR (Special Industrial Region ) with international Airport is coming up just 60 km away from Bhavnagar. As this area is also included in the zone of DMIC (Delhi Mumbai Industrial Corridor) it will boost development and industrialization in this area of state. After completion of broad gauge work between Botad and Gandhigram station of Ahmedabad, Distance between Ahmedabad and Bhavnagar will reduce significantly. Bhavnagar is connected by

four track road with Rajkot and work for similar 4 track connectivity with Diu and Ahmedabad is under progress. Bhavnagar is also connected with Mumbai by direct flight on daily basis

Sir T Hospital (Accredited for Entry level NABH & Laqsyia) includes Multiple buildings namely Old palatial Hospital, New 7 storied OPD and Ward building, Gopnath Maternity Home, Pediatrics Ward Building, Skin ward building, Psychiatry ward and dialysis building, ENT ward building, Trauma center building, Radiotherapy building, Pulmonary medicine ward building, Burn ward building, Laboratory building, Hospital record and lecture hall building etc Our UG PG Hostel buildings are also located in Sir T hospital campus. New MCH (Maternal and Child health) building has been sanctioned and the construction will start soon.

In the year 2017, our institute was also given grant of Rs 200 crore under PMSSY Scheme at the ratio of 60:40 to construct Super specialty block with 6 new super specialty departments namely Neurology, Neurosurgery, Cardiology, Cardiothoracic and vascular surgery, Nephrology and Urology with all modern amenities, instruments, equipments and furniture. Government of Gujarat has not only contributed 40% share of this expense but also proposed to create all super specialty posts in this upcoming hospital to make super specialty services available to poor people of this region and with intention to start super specialty courses at this institute. The construction of said building is going on at fast pace and likely to complete by March 2021.

We have state of the art ART center, Hyperbaric oxygen therapy chamber in the Hospital. Our All laboratories are NABL accredited. Our Blood bank is NABH accredited. We have well established E learning laboratory, our learning management system, HMIS and videoconferencing system. We also have NKV network provided under Central Government project through which our institute is connected to various prestigious institutes of country through dedicated network running at a speed of 100MBps.
